Property Manager – The Downtown Company (Versailles, KY)

December 2017 – Present

- Managed 18 residential & 5 commercial properties.
- Helped ensure the timely collection of \$24,000 in monthly rent.
- Developed a long-term renovation plan for a historic building in downtown Versailles. Researched and applied for Historic Tax Credits from the National Park System. Met with the architect and various contractors to get quotes and draw up plans for the project. Met with and pitched to potential investors on various uses for the space.

Radio Talk Show Host – WRFL Lexington (Lexington, KY)

August 2018 – January 2020

- Interviewed over 20 artists about their creative processes. Booked local artists, drafted show scripts, conducted interviews, and operated a live mix board. Interviews were mostly with musicians, but guests also included: a painter, photographer/videographer, music producer, and an antique sound machine collector.
- When not conducting interviews, played an eclectic mix of bedroom pop, indie rock, and electronic music.

Music, Photo, and Video Production – Self-Employed (Versailles, KY)

August 2015 – August 2019

- Produced original music in a variety of different Digital Audio Workstations: Ableton Live 10, Cubase 9, Reason 8.
- Mixed and mastered over 100 songs (both my own, original compositions and commercial work for other artists).
- Managed and marketed my music via music streaming sites, social media pages, and through submissions to music journalists and blogs.

Podcast Producer – Alltech (Lexington, KY)

June 2016 – April 2017

- Helped produce the initial episodes of Alltech's AgFuture podcast. Spliced together interview audio files, edited damaged or distorted files, mixed and mastered podcast files, added appropriate metadata tags, and prepared the show files for distribution.
-
